

EARLY LEARNING

ENROLMENT

Geelong College Early Learning (EL) is the first entry point to the school. Early Learning currently offers four classes: two classes for 3-4 year olds (EL3), and two classes for 4-5 year olds (EL4). Children spend between two and three years in Early Learning. On entry the Director of Early Learning and the Registrar will advise you of your child's class placement depending on the date of birth and year of entry.

We offer flexible pathways through Early Learning to meet all children's needs. For example, your child may begin in EL3 and progress to EL4 before entering Prep. Alternatively, your child may begin in EL4, and spend one or two years in the EL4 classes before entering Prep.

Should a third year be required in EL, your child will have the option to progress to a different EL4 class with other children in a similar situation.

To enrol in Early Learning children will generally have turned three prior to April 30 for entry in that year and need to be toilet trained. Places in EL3B are offered to children who turn three later in the year, with children commencing after their third birthday.

TIMES

Half day 9am – 12noon (EL3 only)

Full day 9am – 3.15pm

- Children in the EL3 program will be required to attend a minimum two and a half days per week, but may choose to attend for three full days
- Children in the EL4 program will be required to attend a minimum of three full days per week, but may choose to attend for four full days
- Parents may choose to begin with fewer than the required number of sessions, however the fee for the minimum number of sessions will apply
- Children may attend more than the recommended number of sessions up to a full time position (10 sessions per week). This is subject to availability and an additional fee will be charged for these extra sessions.

ENROLMENT PRIORITY

Children of Old Collegians who intend to continue to Prep.

Others in order of date of registration who intend to continue to Prep.

There may be a limited number of places available for children not intending to go onto Prep. Places will be offered for the calendar year only and allocated once all acceptances have been received from applicants who meet the above enrolment criteria.

Preference within each category will be based on date order of registration. Waiting lists will also reflect the same order of priority.

2019 FEES

REGISTRATION FEE

The Registration Fee of \$500 (including GST) is payable on submitting the enrolment application form and a copy of your child's birth certificate. This amount is non-refundable and is not credited to any other school fees upon accepting a place.

ADMISSION FEE

Prior to entering Early Learning, a non-refundable Admission Fee of \$2,500 is payable. The Admission Fee is compulsory and payable upon acceptance of a place in Early Learning. This fee will ensure a place for your child through the Early Learning years and also ensure a prioritised place into Prep. \$2,000 will be credited back to the first term's school fees when your child commences Prep.

Please understand the Admission Fee is not refundable should you decide your child will not be continuing on to Prep. However, your priority enrolment status will not be removed if you wish to enrol your child at the school at a later stage.
